

ABHIJITH V

Junior Web Developer

SUMMARY

I'm a junior front-end developer passionate about building responsive, user-friendly websites. I have hands-on experience with HTML, CSS, JavaScript, and React.js. I'm eager to keep learning and improving my skills to create better web experiences.

WORK EXPERIENCE

Junior Web Developer , CVS Info Solutions

May 2024 - Present

- **Developed Responsive Websites:** Created and maintained responsive websites with optimized user interfaces, achieving cross-platform compatibility.
